If sire and/or dam are not registered in A.P.B.T. Registrar you must send correct information about their breeding (4 generation or more) on our single registration form. It is not necessary for sire and dam to be registered in A.P.B.T. Registrar. Only live puppies are to be registered. Be sure to register all pups because pups not listed on litter application will be considered dead. Pups more than one year of age cannot be registered as a litter. They must be registered on a single registration application.
